Important information

Accuracy of suggestions. Suggested repairs or fixes are indicative only and cannot be verified until we inspect the Car as part of your booking.

Prices are agreed up front. We'll perform the AA-X Services shown in your booking and you'll pay the fees shown in the AA-X App unless we determine that any changes are needed that will increase the fees once we inspect your Car (in which case we'll get your approval before proceeding with those changes).

Standalone product. AA-X Repair Services are not included as part of the AA-X App subscription or your AA Breakdown membership.

Breakdowns. If you are in a breakdown or accident, please refer to your AA Breakdown policy documents to request assistance.

Car warranties. You should also check whether you are entitled to servicing or repairs under any existing Car warranty before purchasing AA-X Repair Services.

What happens if you don't collect your Car. If you don't collect your car when we make it available, then we may charge you reasonable storage costs.

What happens if you don't pay. If you don't pay pre-agreed fees when due, then we can keep your Car until we receive payment (we may also be entitled to sell your Car if you still don't pay and we've given you at least 30 days' notice).

Please retain these terms. We recommend you print a copy of these terms for your records.

1 These terms apply to bookings made through the AA-X App

When these terms apply

- 1.1 These terms apply to AA-X Repair Services booked using the AA-X App, including any additional AA-X Repair Services which you authorise in relation to your booking (whether through the AA-X App, on the phone or by other means).
- 1.2 These terms don't otherwise apply to your use of the AA-X App (including the Car insights functionality) which is covered by our separate AA-X App Terms (available in the app).
- 1.3 These terms don't apply to Smart Care bookings (which are covered by our separate Smart Care Terms) or as part of any other product or service (such as AA Breakdown cover).

How we accept your booking

- 1.4 If you make a booking for AA-X Repair Services in the AA-X App, then this constitutes an offer by you to purchase AA-X Repair Services under these terms.
- 1.5 Acceptance of your offer occurs when we confirm your booking in the AA-X App.

We're not responsible if you purchase goods or services from a third-party

- 1.6 If you purchase repairs or other goods or services directly from a third-party then we are not responsible for those goods or services (for example, if you book in a service or repair with a third-party garage other than through the AA-X App).

2 Bookings can be made for eligible Cars

Bookings can be made for eligible Cars

- 2.1 You can only book AA-X Repair Services for eligible "**Cars**", meaning passenger vehicles (excluding motorcycles) not exceeding 3.5 tonnes gross vehicle weight.
- 2.2 Your booking is only valid for the Car detailed in your booking and can't be transferred to another vehicle.
- 2.3 Bookings remain subject to availability.
- 2.4 We try to only show available AA-X Repair Services in the AA-X App. However, certain Cars may not be eligible for all types of AA-X Repair Services (for example, certain high-performance vehicles or vehicles not of standard production).
- 2.5 In the unlikely event that you've made a booking and we determine that the selected Garage or Mobile Mechanic can't perform the booked Services, then we'll contact you to discuss changing or cancelling your booking.

3 We'll let you know what fees are payable in advance

What are Fees?

- 3.1 The “**Fees**” are the amounts you agree to pay for the AA-X Repair Services under these terms and include VAT and are calculated in pounds sterling (£) (GBP).
- 3.2 AA-X Repair Services provided under these terms are **not** included in any AA-X App subscription or as part of any other product (such as AA Breakdown Membership).

Fees are agreed up front

- 3.3 When you make a booking, we'll show you the Fees for the AA-X Repair Services specified in your booking.
- 3.4 We'll perform the AA-X Services in your booking and you'll pay the fees shown in the AA-X App unless we determine that any change to the AA-X Repair Services is required that will increase the Fees (in which case we'll get your approval before proceeding with those changes – see Section 4 - Fees).
- 3.5 For example, if your booking is for a new O2 sensor but on inspecting your Car we determine that the O2 sensor and the catalytic converter both need replacing, we'll replace the O2 Sensor and contact you for approval before replacing the catalytic converter.

Fees remain subject to change until confirmed in the AA-X App

- 3.6 Fees shown for AA-X Repair Services specified in the AA-X App remain subject to change until we confirm your booking in the AA-X App (unless we determine that any changes are needed that will increase the Fees, subject to getting your prior approval, see Section 4).

Pre-authorisation and pre-payment

- 3.7 We may require you to provide us with payment card details before we confirm your booking or provide any AA-X Repair Services.
- 3.8 Alternatively, we may require full payment of Fees before confirming your booking or providing any AA-X Repair Services.
- 3.9 We reserve the right to refuse service should any requested pre-authorisation or pre-payment not be given or approved.
- 3.10 If we provide AA-X Repair Services before taking pre-authorisation or pre-payment, then we may be entitled to keep and/or sell your Car if you don't pay agreed amounts when due (see Section 9).

Payment method

- 3.11 We accept payment with the payment methods specified in the AA-X App and we can't accept other forms of payment.
- 3.12 You agree that the payment card you provide is yours or that you have been specifically authorised to use it to purchase the booked AA-X Repair Services.

3.13 Payments will be subject to the terms and conditions of our third-party payment platform as may be notified to you from time to time.

Congestion charges and other charges

3.14 You remain responsible for any clean air charges, congestion charges and any other levies, duties and taxes imposed on the Car.

Changes to fees and what happens if we get the price wrong

3.15 We may update and change the Fees from time to time and without notice, but these changes won't affect existing bookings already confirmed in the AA-X App.

3.16 It is possible that, despite our best efforts, AA-X Repair Services may be incorrectly priced. If the correct price at your booking date is higher than the price stated to you, we'll contact you for approval before we proceed with your booking.

3.17 If we accept your booking where a pricing error is obvious and unmistakeable and could reasonably have been recognised by you as a mispricing, we may end this Agreement, refund any pre-paid sums and require you to collect the Car.

What to do if you think an invoice is wrong

3.18 If you think an invoice is wrong, please let us know. You will not have to pay any interest on the disputed amount until the dispute is resolved.

3.19 Once the dispute is resolved, we can charge you interest on correctly invoiced sums from the original due date (see Section 9.1).

4 Important information about how we provide AA-X Repair Services

Garage types

4.1 We'll arrange for AA-X Repair Services to be performed by a Garage (which includes AA operated service centres or third-party service centres) or we may provide a Mobile Mechanic option.

4.2 Garages and Mobile Mechanics remain subject to availability and not all types of Garages and Mobile Mechanics are available in all areas or for all types of AA-X Repair Services.

Inspections and additional services

4.3 When you provide your Car to us, we'll inspect it and will perform any AA-X Repair Services specified in your booking unless we determine that those AA-X Repair Services are not necessary.

4.4 If we determine that any different or additional AA-X Repair Services are required that will increase the Fees, then we'll contact you to confirm the additional Fees payable and obtain your approval to proceed with those different or additional AA-X Repair Services.

4.5 If we contact you for approval and you don't give us this approval when requested then you'll need to collect your Car (or be available to take collection of the Car where we provide a collection/delivery service).

4.6 This does not mean we are responsible for finding all faults with your Car (see Section 7.1 for limits on the scope of our AA-X Repair Services).

What parts are used

4.7 We supply third-party manufacturer equivalent parts. You are not able to supply your own parts for the AA-X Repair Services and we are not required to supply a particular manufacturer's parts.

4.8 You'll own parts installed in the Car once we've received payment in full or when you collect the Car (whichever is later).

Providing information

4.9 If you don't provide information we ask for within a reasonable time of us asking for it, we may cancel your booking (and Section 15.2 will apply).

4.10 We're not responsible if we don't provide AA-X Repair Services because you haven't given us necessary information when requested.

5 You can book AA-X Repair Services with a Garage

Dropping off the Car at a Garage

5.1 You will need to make the Car available at the time and location specified in your booking.

5.2 You must remove any personal belongings from the Car before handing it over. We're not responsible for any personal belongings left in the Car.

5.3 If you are attending a Garage, you should only park within designated areas, hand over and collect Car keys at reception and follow all Garage safety instructions.

Collecting the Car

5.4 You are responsible for collecting the Car during the Garage's working hours once we let you know that the AA-X Repair Services are complete.

5.5 If you don't collect the Car from the Garage when agreed then we may charge you for reasonable additional storage costs until the Car is collected.

5.6 If we are unable to contact you to re-arrange collection then we may end this Agreement and Sections 9 and 15.2 will apply.

If we arrange collection or delivery

5.7 We may offer Car pick-up and/or drop-off services (subject to availability and our confirmation when booking).

5.8 If we confirm a Car pick-up service for your booking, you are responsible for making the Car and its keys available at the agreed time and location.

- 5.9 If we confirm a Car drop-off service for your booking, you are responsible for taking collection of the Car at the agreed drop-off location and time.
- 5.10 If you don't take collection of the Car at the agreed drop-off location and time, then we may charge you for reasonable additional transportation and storage costs until the Car is collected.
- 5.11 We'll try to attend pick-ups and drop-offs close to the agreed time, however we may be delayed due to traffic or other events outside of our control which we are not responsible for (see Section 12).

We don't provide courtesy cars or hire cars

- 5.12 We don't provide or arrange courtesy cars or hire cars in connection with the AA-X Repair Services (unless we notify you otherwise in writing).
- 5.13 If a Garage provides you with a courtesy or hire car, then this will be governed by a separate agreement between you and the Garage and we won't have any liability in relation to any courtesy cars or hire cars provided to you.

6 We may provide a Mobile Mechanic option

Who are Mobile Mechanics?

- 6.1 Mobile Mechanics are trained technicians who can provide AA-X Repair Services for your Car in certain locations of your choice.

Stand alone product

- 6.2 Remember, AA-X Repair Services booked in the AA-X App are not included as part of your AA Breakdown membership and must be purchased separately.
- 6.3 If you are in a breakdown or accident then you may request assistance within the terms of a valid AA Breakdown membership (in which case such assistance is provided solely under applicable AA Breakdown terms).
- 6.4 Before purchasing AA-X Repair Services, you should also check whether you may have any entitlement to servicing or repairs under any existing Car warranty (such as a warranty provided by your Car manufacturer or an after-market warranty provider).
- 6.5 We are not responsible for any losses you may have incurred if any AA-X Repair Services would have been covered by any existing Car warranty but you failed to claim under that warranty and purchased the AA-X Repair Services instead.

Car location

- 6.6 Our Mobile Mechanics can only provide AA-X Repair Services if your Car is on private land (including private driveways and home garages).
- 6.7 Our Mobile Mechanics are not able to provide AA-X Repair Services on any public road (including street parking and other public spaces).
- 6.8 It is your responsibility to obtain all necessary permissions from the Car's owner and any occupier of the premises where the Car is located before our Mobile Mechanic arrives.

- 6.9 Our Mobile Mechanics need enough room to safely park near the Car and to safely walk round the Car to provide the AA-X Repair Services.
- 6.10 Our Mobile Mechanics can only provide AA-X Repair Services in daylight or in a well-lit location.
- 6.11 If our Mobile Mechanic determines that it is unsafe to work on the Car in its location then the AA-X Repair Services will not be provided and you may need to make a new booking.

Responsibility for Car and personal belongings

- 6.12 You remain responsible for the Car (including any storage costs, congestion and parking fines) at all times, except during any period of time in which it is being driven by our Mobile Mechanic.
- 6.13 You must remove all personal belongings from the Car before handing it over to our Mobile Mechanic. We're not responsible for any personal belongings left in the Car.

7 We only provide AA-X Repair Services detailed in your booking

Scope of our AA-X Repair Services

- 7.1 We're not responsible for failing to identify any faults or defects later discovered unless we can reasonably have been expected to identify them in performing the AA-X Repair Services detailed in your booking.
- 7.2 For example, if your booking is for the replacement of a part, we are not responsible for identifying faults with an unrelated part.

Older cars and high mileage

- 7.3 Please note that Cars over 5 years old, that have a high mileage and/or which have been subjected to abnormal use may be more likely to have latent defects.
- 7.4 Cars over 10 years old may be more likely to contain serious internal, structural or mechanical defects and/or hidden corrosion, which will not always be detectable.

8 You remain responsible if you decline to approve critical AA-X Repair Services

If you decline to approve critical AA-X Repair Services

- 8.1 If we determine that any AA-X Repair Services must be carried out to ensure the Car is legal or safe to drive and you decline to authorise those services, you remain responsible for any outstanding Fees and for collecting the Car.
- 8.2 If the Car cannot be legally or safely be driven then you remain responsible for arranging for it to be safely transported to another service centre or other location at your own cost.
- 8.3 Once you (or any third party nominated by you) have taken possession of the Car in this situation, you will be responsible for the Car's condition and the fact that it may have dangerous faults or be unroadworthy.

8.4 Please also see Section 7.1 in relation to the scope of our services and Section 9 in relation to what happens if you don't pay Fees or collect the Car.

9 We have certain rights if you fail to pay or collect your Car

We can charge interest if you pay us late

We're entitled to keep and sell the Car if you fail to pay

9.2 We are entitled to keep the Car until you have paid all Fees owing for AA-X Repair Services performed.

9.3 If you have not paid all outstanding Fees within 30 days of the invoice date, then (without limiting our other rights) we can on giving at least 30 days' further notice to you to sell the Car (including any contents).

9.4 If the sale proceeds exceed any amount you owe, we'll pay that excess to you after deducting reasonable storage charges (see Sections 5.5 and 5.10), any interest due (see Section 9.1) and reasonable sale costs.

9.5 If the sale proceeds don't satisfy the amount owed then you remain liable for the outstanding balance and reasonable storage charges (see Sections 5.5 and 5.10), any interest due (see Section 9.1) and reasonable sale costs.

We're entitled to sell the Car if you fail to collect it

10 You can change your mind

Your legal right to change your mind

10.1 You have a legal right to change your mind and cancel this agreement within 14 days and receive a refund.

10.2 You can also cancel any booking at any time before the booking date by calling the number shown at the start of these terms.

When you can't change your mind

10.3 You can't change your mind about a booking for:

- 10.3.1 services, once these have been completed (even if the cancellation period is still running);
- 10.3.2 goods that are made to your specifications or clearly personalised; or
- 10.3.3 goods which become mixed inseparably with other items after delivery or installation (for example, certain parts and consumables like oil and other fluids).

How long do you have to change your mind for services?

10.4 You have 14 days after the day when you make your booking to cancel services (provided that you can't change your mind for any services once completed, even if the period is still running).

10.5 If you cancel after we've started the services, you must pay us for any services provided up until the time you tell us that you have changed your mind and you will then need to promptly collect the Car once we make it available for collection.

How long do you have to change their minds for goods such as parts?

10.6 You have 14 days after the day when you receive goods (including parts) to cancel those goods, provided that if you ask us to remove any parts from the Car then we may charge additional reasonable fees for doing so.

10.7 If you remove any parts from the Car in order to return them to us, then we may deduct the cost of any loss in value due to any damage to those parts.

You have to return goods at your own cost

10.8 If you change your mind about goods (such as parts we've already installed in the Car), you have to return those parts to us within 14 days of your telling us you have changed your mind. Returns are at your own cost.

10.9 Please contact the number shown at the start of these terms.

10.10 If you don't do this and we don't receive the goods at all or within a reasonable time we won't refund you the price.

We reduce your refund if you have used or damaged a product

10.11 If you use any goods or parts beyond what is necessary to establish their nature, characteristics and functioning then we reduce your refund to compensate us for their reduced value.

10.12 For example, we reduce your refund if the part's condition is not "as new" or shows signs of wear. In some cases, because of the way you have treated the Car or any parts, no refund may be due.

How we'll refund you

10.13 If you are entitled to a refund under these terms for any services, then we'll refund the price already paid by the method used for payment within 14 days of you telling us that you changed your mind.

10.14 If you are entitled to a refund under these terms for any goods (such as parts), then we'll refund the price already paid by the method used for payment within 14 days of receiving the goods back from you.

11 You have rights if there is something wrong with the AA-X Repair Services

Delays outside our control

- 11.1 If you think there is something wrong with any AA-X Repair Services, please contact us using the number shown at the start of these terms.
- 11.2 We honour our legal duty to provide you with goods (such as parts) that are as described to you and that meet all the requirements imposed by law.
- 11.3 Your legal rights are summarised below. These are subject to certain exceptions.
- 11.4 For detailed information please visit the Citizens Advice website www.citizensadvice.org.uk.
- 11.5 Please also remember that you have several options for resolving disputes with us.

Summary of your key legal rights

- 11.6 If your product is goods, for example parts we install in your Car, the Consumer Rights Act 2015 says goods must be as described, fit for purpose and of satisfactory quality. During the expected lifespan of your product, your legal rights entitle you to the following:
 - 11.6.1 Up to 30 days: if your goods are faulty, then you can get a refund.
 - 11.6.2 Up to six months: if your goods can't be repaired or replaced, then you're entitled to a full refund, in most cases.
 - 11.6.3 Up to six years: if your goods don't last a reasonable length of time you may be entitled to some money back.
- 11.7 If your product is services, for example our labour in providing the AA-X Repair Services, the Consumer Rights Act 2015 says:
 - 11.7.1 You can ask us to repeat or fix a service if it's not carried out with reasonable care and skill, or get some money back if we can't fix it.
 - 11.7.2 If a price hasn't been agreed upfront, what you're asked to pay must be reasonable.
 - 11.7.3 If a time hasn't been agreed upfront, it must be carried out within a reasonable time.

Our guarantee in addition to your legal rights

- 11.8 The AA-X Repair Services are covered by our additional nationwide 12-month, 12,000-mile guarantee on defective parts and labour ("**Additional Guarantee**").

11.9 The Additional Guarantee does not affect or amend your legal rights if there is something wrong with any goods or services we provide (see Sections 11.6 and 11.7 above).

11.10 To claim under the Additional Guarantee, you must:

11.10.1 notify us before 12-months have passed, or the Car has been driven 12,000 miles, from when the booking was completed (whichever happens earlier); and

11.10.2 make the Car available to us within a reasonable time so that we can examine it.

11.11 If a defect is covered by our Additional Guarantee, then we'll reperform affected AA-X Repair Services.

12 We're not responsible for delays outside our control

Delays outside our control

12.1 If our supply of AA-X Repair Services is delayed by an event outside our control, we'll contact you as soon as possible to let you know and do what we can to reduce the delay.

12.2 As long as we do this, we won't compensate you for the delay, but you can contact us at using the details at the start of these terms to end this Agreement and receive a refund for any sums paid in advance for services which will not be provided, less reasonable costs we've incurred.

12.3 Events outside our control may include (without limitation) any delays caused by lack of availability of goods or services from third parties, traffic and adverse weather.

13 We can change products and these terms

Changes we can always make

13.1 We can always change the AA-X Repair Services and any other products at any time:

13.1.1 to reflect changes in relevant laws and regulatory requirements;

13.1.2 to make minor technical adjustments and improvements, for example to address a security threat; and

13.1.3 to update digital content, provided that the digital content matches the description of it that we provided to you before you bought it.

Changes to these terms

13.2 We may change these terms at any time by publishing modified terms in the AA-X App or on our website or by providing you with a copy of updated terms.

13.3 If you book AA-X Repair Services after a change to these terms has been made available to you then this will be deemed to signify your acceptance of the modified terms.

13.4 We recommend you print a copy of these terms for your records.

Changes we can only make if we give you notice and an option to terminate

13.5 If we make more significant changes to the AA-X Repair Services or these terms then we'll notify you and, should you wish, you can then contact us to end an existing booking before the change takes effect and receive a refund for any AA-X Repair Services you've paid for in advance, but not received.

14 We can suspend supply (and you have rights if we do)

We can suspend a product

14.1 We can suspend supply of any product (including the AA-X Repair Services). We can do this to:

- 14.1.1 deal with technical problems or make minor technical changes;
- 14.1.2 update the product to reflect changes in relevant laws and regulatory requirements; or
- 14.1.3 make changes to the AA-X Repair Services, the AA-X App or these terms (see Section 13).

Your rights if we suspend

14.2 We'll contact you in advance to tell you that we'll be suspending supply, unless the problem is urgent or an emergency.

14.3 You may contact us to end this contract if we suspend supply for a period of more than 30 days and we'll refund any sums you have paid in advance for the services which you will not receive from the date of suspension.

15 We can withdraw products and we can end our contract with you

We can withdraw products

15.1 We can stop providing a product, such as the AA-X Repair Services. We let you know at least 30 days in advance and will refund any sums you've paid in advance for products which won't be provided.

We can end our contract with you

15.2 We can end our contract with you for the AA-X Repair Services (or any other product) if:

- 15.2.1 you don't make any payment to us when it's due;
- 15.2.2 you are in material breach of these terms; or
- 15.2.3 you don't, within a reasonable time of us asking for it, provide us with information, cooperation or access that we need to provide the AA-X Repair Services, for example, suitable access to your Car or information about it.

16 The AA-X Repair Services will not void your Car's original manufacturer warranty unless we say otherwise

Original Car manufacturer warranty

16.1 If you have the benefit of the Car manufacturer's warranty from the Car's original sale then the AA-X Repair Services booked via the AA-X App will not affect that pre-existing Car manufacturer's warranty, unless expressly notified to you prior to any work being completed.

17 We don't compensate you for all losses caused by us or our products

Losses we are not responsible for

17.1 We're responsible for losses you suffer caused by us breaking these terms, unless the loss is:

17.1.1 **Unexpected.** It was not obvious that it would happen and nothing you said to us before we accepted your order meant we should have expected it (so, in the law, the loss was unforeseeable).

17.1.2 **Caused by a delaying event outside our control.** As long as we've taken the steps set out in Section 12 (We're not responsible for delays outside our control), we are not responsible.

17.1.3 **Avoidable.** Something you could have avoided by taking reasonable action. For example, damage to your Car, which was caused by AA-X Repair Services we provided and which you could have avoided by following our advice make it available to us to repair.

17.1.4 **A business loss.** If you use any product (including the AA-X Repair Services) for purposes of your trade, business, craft or profession. This includes (without limitation) loss of profit, loss of business, business interruption and loss of business opportunity.

When we are responsible for damage to the Car

17.2 If we've performed AA-X Repair Services on your Car, then we'll make good any damage that we cause to the Car while doing so. However, we are not responsible for the cost of repairing any pre-existing faults, defects or damage to the Car or any other property.

When we are responsible for losses caused by digital content we supply

17.3 If we supply digital content which causes damage to your device or other digital content due to our failure to use reasonable care and skill then we'll decide whether to repair the device or compensate you, provided that the most we'll pay to you in relation to such losses is £1,000.

When we are responsible for other losses

17.4 Apart from the responsibility we accept under Section 17.2 and 17.3 and under any terms implied into this agreement by law, the most we'll pay to you in relation to other

losses you incur under these terms is limited to £5,000 or the total Fees paid (whichever is greater).

Accuracy of recommendations in the AA-X App

17.5 We don't guarantee or promise the accuracy or suitability of any suggested repairs, fixes or other AA-X Repair Services shown in the AA-X App.

17.6 This is because we're unable to verify the accuracy of these suggestions until we inspect the Car as part of a confirmed booking for AA-X Repair Services.

18 We own materials, brands and logos

Who owns materials, brands and logos

18.1 All materials presented in the AA-X App and any other materials we send you, unless specifically indicated otherwise, are under owned by us or our licensors and we reserve all rights in any such materials (including copyright, trademarks, registered designs, design rights, domain names, database rights, patents, trade names and all other intellectual property rights).
